

KED – PUBLIC COMPLAINTS ABOUT FEDERAL PROGRAMS

A parent, student, employee, or District stakeholder who has a complaint regarding the use of federal funds and is unable to solve the issue, may address the complaint in writing to the District's superintendent.

Disputes addressing the enrollment, transportation (including inter-district disputes), and other barriers to the education of children and youth experiencing homelessness are also addressed under this procedure. Parents, guardians, and unaccompanied youth may initiate the dispute resolution process directly at the school they choose, as well as at the District or District's homeless liaison's office. The parent or guardian or unaccompanied youth shall be provided with a written explanation of the school's decision including the rights of the parent, guardian, or youth to appeal the decision. Students should be provided with all services for which they are eligible while disputes are resolved.

- The Superintendent will investigate the circumstances of the complaint within one week of receiving the written complaint.
- The Superintendent will render a decision, in writing, to the complainant, within two weeks of receiving the complaint.
- The complainant will be allowed one week to react to the decision before it becomes final.
- The complainant will either accept or disagree with the decision and will provide such acknowledgement in writing, addressed to the District's superintendent.
- If the issue is not resolved with the superintendent, the complaint will be forwarded to the District's School Board for further review. The parent or guardian or unaccompanied youth shall be provided with a written explanation of the District's decision including the rights of the parent, guardian, or youth to appeal the decision.
- Unresolved complaints may be forwarded by the parent, student, employee or District stakeholder to the South Dakota Department of Education for review.
